HCS Food Drive

Holy Apostles Philoptochos is asking for your family's help. We are collecting non-perishable food donations for the HCS Family Services Food Pantry through the month of March. HCS Family services is a certified non-profit 501(c)(3) which has been in existence since 1937. It is committed to solving hunger in southeast DuPage County. HCS provides nutritious food to more than 21,000 hungry people annually through their food pantries and mobile pantry distributions. HCS Family Services has food pantries in Hinsdale and Willowbrook, but services clients from many of the communities surrounding our church.

Collection bins have been set up in front of HARC to receive your donations. All donations are welcome, but the most needed items are listed below:
